CANAL+ ANNOUNCES SUCCESSFUL EUR 1.8 BILLION FINANCING AGREEMENT

Issy-les-Moulineaux, 18 December 2025

CANAL+ SA (LSE: CAN) today announced that, as part of its refinancing strategy, it has successfully signed EUR 1 800 million in financing split between a EUR 500 million 12-month term loan extendable up to 24 months and a EUR 1 300 million 5-year term loan on attractive terms. The transaction was significantly oversubscribed by a syndicate of leading international banks, reflecting strong market confidence in the Group.

This new financing is intended to refinance the acquisition debt related to MultiChoice which had a final maturity in July 2026 and to support general corporate purposes.

This transaction represents the final step in the refinancing of the acquisition debt related to MultiChoice and contributes to the progressive extension and diversification of the Group's debt maturity profile.

Bank of America Europe DAC, BNP Paribas, Crédit Agricole CIB, Crédit Industriel et Commercial, Natixis CIB and Société Générale acted as Coordinators and Bookrunners of the facility.

Amandine Ferré, Chief Financial Officer and member of the Management Board of CANAL+, commented: "We would like to sincerely thank the banks that supported this transaction for their strong commitment and continued confidence in CANAL+. Following the successful execution of the Schuldschein placement and the bond issuance earlier this year, this refinancing confirms the financial strength and resilience of the Group, as well as the robustness of our business model. By significantly extending our debt maturities on attractive terms, we gain long-term visibility and flexibility to execute our strategy and support growth."
