

ANNE-LAURE TINGRY APPOINTED CHIEF DATA & AI OFFICER OF CANAL+

Anne-Laure Tingry has been appointed Chief data & AI (artificial intelligence) Officer of CANAL+, reporting to Maxime Saada, Chairman of the Management Board and CEO of CANAL+, and joins the group's Executive Committee.

As the global media and entertainment group steps up its focus on artificial intelligence, Anne-Laure Tingry will be responsible for leading CANAL+'s data and AI strategy across all its markets and overseeing the implementation of projects in these areas.

Anne-Laure Tingry is a graduate of HEC Paris and Paris-Dauphine and has 25 years' experience in both B2C and B2B environments, across digital, data, artificial intelligence, e-commerce, marketing and strategy. In 2002, she joined France Télécom/Orange, where she held marketing and sales roles before becoming Managing Director of Orange Store. She subsequently joined the executive committee of Orange France as Digital and Omnichannel Director and Director of the Data and AI Transformation Programme. In July 2024, she was appointed Executive Director of the Smart Mobility Services Business Line at Orange Business. Anne-Laure Tingry has also been an independent member of the Supervisory Board of Elis since 2017.

ABOUT CANAL+

Founded as a French subscription-TV channel 40 years ago, CANAL+ is now a global media and entertainment company. On 22 September 2025, CANAL+ confirmed it is in effective control of MultiChoice Group and beginning the integration process. **MultiChoice** is Africa's leading entertainment platform,

offering a wide range of products and services, including DStv, GOtv, M-Net, SuperSport, Irdeto, and KingMakers. Together, the new combined group has 40 million subscribers worldwide, operates in over 70 countries and has approximately 15,000 employees.

CANAL+ operates across the entire audio-visual value chain, including production, broadcast, distribution and aggregation. It is home to **STUDIOCANAL**, Europe's leading film and television studio with worldwide production and distribution capabilities; **Dailymotion**, major international video platform powered by cutting-edge proprietary technology for video delivery, advertising, and monetization; **CANAL+ Distribution**, a production and distribution company specialising in creating and distributing diverse content and channels; and telecommunication services, through **GVA** in Africa and **CANAL+ Telecom** in the French overseas jurisdictions and territories.

CANAL+ also has significant equity stakes in **Viaplay** (the Pay-TV leader in Scandinavia), **Viu** (a leading OTT platform in Southern Asia), and **UGC**, a leading French cinema group.
