CANAL+ UNVEILS NEW AFRICA LEADERSHIP TEAM

Johannesburg/Paris/London, 2d October 2025 - CANAL+ is proud to unveil its new leadership team for combined businesses in Africa

Calvo Mawela, outgoing **CEO of MultiChoice**, is appointed as Chairman of CANAL+ Africa, which now includes MultiChoice Group and the whole of Africa including French speaking territories. **David Mignot is appointed Chief Executive Officer (CEO)** of this new combined entity. The newly formed top management team is drawn from the two companies' combined talent pool, with CANAL+ and MultiChoice each contributing an equal number of senior executives.

Congratulating the new management team, David Mignot, CEO for Africa, said: "We have an incredible Africa leadership team and has an exceptional track record across the continent and within the global group. Working together, we will deliver growth across the continent by telling unique, high quality African stories, bringing great international content to our subscribers and leveraging our scale across the global company. With seven nationalities represented, this leadership team has the diversity, knowledge and networks to deliver best in class services and content for our subscribers - all enabled by commercial and technical excellence."

New Leadership Appointments

The new leadership will operate as a single management team covering the entire African continent, structured into three divisions: Operations (TV and Fiber activities), Content, and Corporate Functions.
